Description

A neat early 20th century antique oak office or desk chair. The desk chair has a shaped back rest with slat or lathe uprights. The seat has recently been professionally re-upholstered with leather and studs. Raised on shaped front legs with straight stretcher supports. Maker's sticker to the back reads 'European'. Item Ref; M-1265 . DIMENSIONS: Height - 80cm / Width - 57.5cm / Depth - 53cm / Seat Height - 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some minor age-related marks to the wooden frame (pictured). The seat has recently been professionally re-upholstered with leather and studs and remains clean throughout. A good quality desk chair with good tight joints. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .

Internal Ref: M-1265
