

SA834307

Quality silver travelling alarm case

Price

Sold**Item Reference: SA834307****Date of manufacture: 1920**

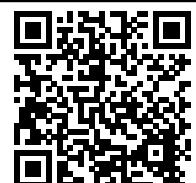

Description

A really good heavy quality travelling alarm case. Sadly the clock is missing, I don't normally buy or list incomplete items but this is such good quality and I am sure a clock fitting could easily be found and fitted. Super engine turned decoration to top and bottom. All 3 parts are marked. William Neale Ltd Birmingham 1924. Gilded inside which is in good condition. One small ding clearly seen in photographs and slight wear to one side where it has sat on a surface. Weight 5.78 ozs W 8 cm D 1.2 cm H 9 cm Diameter of clock space 5.2 cm
