Description

This stylish antique citrus press is made of silver plate and dates from c1930. This unusual lemon / lime squeezer works by placing your fruit half within the claws and then closing the two handles to squeeze. The pips are retained by the pierced strainer. This heavy squeezer is a nice quality piece of barware that looks great on display and is also a good usable bar accessory. Weight: 438 grams. Condition: Very good used antique condition with some signs of use in keeping with age. Some light surface scratches and general wear. Some plate loss as seen in the pictures. Please note that only the lemon squeezer is included and any other items in the pictures are for display only.
