Description

For your consideration is this very distinctive 46mm extra-long, curved case gents wrist watch which is two-part 10k yellow gold-filled. 82-year-old watch was made by the American watch company BULOVA. This is a great looking watch with a beautiful original two-tone starburst dial. Recently fully serviced this watch runs on a 21-jewel hand-wound mechanical movement and is keeping time good time. The inside is signed BULOVA FIFTH AVE NEW YORK. This watch is powered by a good-quality American-made BULOVA 21-jewel 7AP hand-wound mechanical movement. The 7AP was manufactured from 1936 to 1944 and features a Breguet hairspring, as used on other high-end watches such as Rolex and noted for aiding more consistent timekeeping throughout the duration of the wind. This particular 21-jewel movement would have been one of Bulova's top-of-the-range of the era and is stamped with the shield date-code symbol for 1939. This also matches the date of the watch case itself. Dimensions: SIZE 20mm wide, excluding crown x 45mm total length. Width: 20mm, excluding the crown. Length: 35mm without the lugs; 45mm total length to tips of the lugs. Thickness: 9mm, including crystal. Dial: 14.5mm x 2...
