Description

Gorgeous and original 1930s Art Deco cocktail cabinet in figured walnut. This cabinet really is stunning, featuring a storage area for bottles at the bottom and glasses etc. at the top. The top part of the cocktail cabinet has an all mirrored interior and internal light for that extra 'glam' look. Both the doors to the top and base "roll" in to close and shut, rather than the conventional opening and closing. There is also a pull out mirror tray between the top and base to serve drinks on, a truly fabulous piece of furniture! The whole piece shapes like a half drum on top of another and gives a very impressive and imposing look. Lovely mottled Bakelite handles to the doors, which open smoothly. Condition is as good as you could hope for having been professionally restored. If you like the 'glam' aspect of Art Deco then this is the piece for you! FREE UK MAINLAND DELIVERY
