Sold**Item Reference: SA834857****Date of manufacture: 1930**

Description

1930s Swiss pocket watch and albert. The watch has a Swiss stem-winding movement which is working well. The watch measures 48mm diameter excluding the winding stem and the loop. The case is nickel and it is in nice condition with just light surface marking. The glass lens is in nice condition. The white enamelled dial has a hairline crack running between 12 and 6 but it is not visible to the naked eye, only through a jeweller's loupe. Blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a vintage leather albert measuring 19cm long including the T bar and clasp. There is some rubbing to the plated finish on the albert fittings. The watch and albert will be sent in a new presentation box.
