An extremely rare Huge Farmhouse Refectory Dining Table. Not only is the table long at 3.66m but also deep at 1.09m. Made from solid oak in France around 1900 the table is of excellent quality and will be around for generations to come. The top alone is 10cm thick and weighs a tonne. We have bleached it to bring out the natural wood and to lighten it, you can see the marvellous rustic nature of the top. This fabulous table is perhaps the best farmhouse Table I have ever had, certainly its a once in 5 years piece. In excellent original condition for the home.
