Height = 46 cm (18.1")

Width = 37 cm (14.6")

Depth = 37 cm (14.6")

Description

Really nice quality William IV rosewood overstuffed stool . This stool is a really unusual construction with the legs held to the top with metal straps. It has barley twist cross stretchers. It is a very stylish design with the sharp edges of the upholstery going into the shaped section of the stool. I've never seen this construction before, but it looks right as rain. C1840 st 3117

Internal Ref: 3117
