Description

A very smart and useful antique mahogany butlers tray top coffee table, dating from around the 1930's. This has a fantastic design and is of generous proportions. The top has carry handles and can be lifted off the base as a serving tray; the edges of the top can also fold down to increase the surface area of the table. This is of amazing quality and is in excellent condition for its age. We have just had it re-polished, it has a gorgeous colour tone and patina.
