Height = 8 cm (3.1")

Width = 13 cm (5.1")

Depth = 7 cm (2.8")

Description

For your consideration is the fabulously glamorous Art Deco ladies perfume atomizer, dating to the 1930's and made in Czechoslovakia. Displays beautifully, with no damage and minimal signs of use or wear. The chrome nozzle shows some light pitting but nothing distracting and the expected light surface markings to the base again not really noteworthy but mention for accuracy. Anyone who collects Art Deco or period vanity items will really appreciate this piece. FREE UK MAINLAND DELIVERY
