Description

A lovely pine Farmhouse table dating from the late 19th century. It has a narrow twin plank top and stands on turned tapering legs. It is a good size, comfortably seating 6-8 people, with ample leg clearance of 24 1/2" (62cm) all around. The table has lots of character and the patination and wear on the top is lovely. There are various natural knots and old marks and the planks have mellowed to an attractive warm colour. There are various knocks and marks around the legs and signs of age and use but nothing detrimental and it is a solid and sturdy table. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
