Description

A superior London made drop dial wall clock from the home of clock making, Clerkenwell, London. The 12" painted dial with Roman numerals and signed by the maker J S GOODHEAD. The mahogany case is beautifully polished with a lovely age related patina. There are inspection doors to both the base and side of the clock. The much desired narrow mahogany surround to the dial adds to the overall aesthetic appeal of this clock. The 8 day, chain driven fusee movement has just been fully overhauled by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. A very sophisticated and elegant clock.
