## Description

Circa 1900 a pair of heavy and decorative brass candlesticks polished but not lacquered. They measure 24.5cm in height with a base of 19cm square and little claw shaped feet on the corners. They take 2.5cm candles and both are straight, the camera angle makes them appear to be leaning to one side. Each one weighs approximately 0.9kgs and both are in very good condition with no signs of damage. One of the pair has two small areas of old soldering underneath two of the feet to secure them in position. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
