Depth = 76 cm (29.9")

Description

A good quality, early 20th century antique oak pedestal desk. The pedestal desk has an arrangement of six fitted drawers around the central knee hole. There are two draw leaves that sit above the drawers – one is a pull out work surface while the other is a pull out stationery tray. The desk is raised on four square legs. Please note, this pedestal desk is all one piece and does not split apart for transport. Item Ref; M-2957 . DIMENSIONS: Height – 75cm / Width – 137cm / Depth – 76cm / Legroom – 59cm / Width of Knee hole – 52cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks and staining to the top (pictured). The desk remains structurally solid and sound. Please note, this pedestal desk is all one piece and does not split apart for transport. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .

Internal Ref: M-2957
