Description

A fantastic original Georgian period chest of drawers in Mahogany. This was made in England, it dates from around 1800-1820's period. It is extremely fine quality, very well built with a beautiful design, and is a great size with lots of storage space. This sits on splayed bracket feet, with nice quality brass handles. There are also exquisite rosewood panels set in satin wood on the top front edge. We have just had this re-polished, it is in excellent condition for its age, free from warps & splits. There are various small marks here and there, commensurate for age, which just add to the character and charm. Width – 42 inches , 107 cm Depth – 21 inches , 54 cm Height – 42 inches , 106 cm
