Description

A pair of solid Sterling Silver salt and pepper shakers. They are stylish and good quality and are clearly hallmarked on the base for E.J.Trevitt & Sons, Chester, 1907. They are both in good condition for their age and display well. There are some faint surface marks and a few light dinks and dents, particularly around the rim of one top but no major damages or anything detrimental and they are certainly usable. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £5, rest of the world £25.
