Description

This is a James Shoolbred of Tottenhall Court Rd, London, stool. Made of English oak by the company that had a Royal warrant and their furniture was of a very good quality and design. Starting trading in early Victorian time until closing down in the 1930s. Condition is very good and original polish, all we have done is give it a rub down and waxed it. A good collector's item and a very good investment as prices climb year on year. Size is 21 inches wide, 25 inches high, 12 inches deep.

Internal Ref: Shoolbred seat.
