Description

Impressively stylish and genuinely rare design is this superb 1930's English Art Deco Display cabinet. This beautiful cabinet is veneered in walnut which has the most glorious patterning to the grain and retains a honey tone in colouring. The interior features a generously sized display area for your collection. There are three internal glass shelves. The beautiful astragal glass to the doors sets this cabinet off perfectly. The original lining to the interior back panel is silk with light floral patterning and in a satin cream colour which offsets perfectly with the exterior walnut colouring to the cabinet. The doors work very smoothly with the original key. All in top condition, having recently been professionally restored. Offered with free mainland UK delivery
