Description

This is a very elegant English country house regency sofa. The design is very contemporary with the bold square sides yet it retains its traditional styling with the reeded mahogany arms and legs. The overall quality is very good with a few minor age related repairs. Barely visible as done well. The sofa also has its original horse hair and hessian seat cushion which we can replace for a feather one if you prefer. This piece is a great size making it ideal for upto 4 people suitable for everyday family use. Measurements Height 85cm Width 206cm Depth 80cm Depth of seat 62cm Height of seat around 48cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 12 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
