Description

A highly unusual square serving tureen on associated warming stand. Both pieces are made of Old Sheffield Plate and marked for the maker T&J Creswick (1811+). Whilst the pieces are not an exact match, they fit together perfectly and possibly have been together for some time. The warming stand has a removable top tray and is tinned to the interior, whilst the tureen has a removable twist handle. The condition is very good overall with no dents or splits, slight wear to the interior of the tureen and the warming tray has very slight copper bleed to the raised edges. Total weight approx 3.4kg. Warming stand - height approx 8.5cm. Total span approx 29.5cm. Tureen measures approx 24cm square. height approx 14cm. Total height approx 20cm.
