Description

I recently had a similar Trumps marker with a charming Dachshund, I couldn't believe it earlier this week when I found this larger example, and certainly larger than most of these figural examples. The faux ivory indicators are all intact including "No Trumps" and are moved around by the turning of a wheel each side. Perfect for the canine owning card player. Superb condition with minor wear commensurate with age, measuring approximately 6 1/2" long nose to tip of tail x 5" tall.
