Description

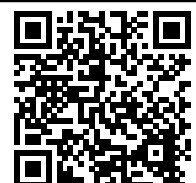

A good pair of Corinthian style candlesticks in silver plate and manufactured in Bristol and in very good condition. They are surmounted by ejector columns and ornate solid silver shades, manufactured by Goram Manufacturing Company. Goram was founded in Rhode Island in 1831 by Jabez Goram. The White House has used Goram silver during several administrations. The Goram company used English silverware as the basis for its high quality products. This pair is in very good condition with the ejector mechanism in very good working order. We can deliver free of charge in UK mainland and can quote for International delivery.
