18th Century Oak Turned Leg Dresser Base

Price

Sold**Item Reference: SA838660****Date of manufacture: 18th Century**

Dimensions

Height = 76 cm (29.9")

Width = 190 cm (74.8")

Depth = 52 cm (20.5")

Description

Made from quarter sawn oak, this 18th century dresser base consists of a single piece top above a bank of three drawers framed with a D mold, above a bold shaped frieze and standing on four baluster turned legs. Although losing some of its height from wear to the legs over the years, this dresser base still stands well and has a pleasing colour and patination.
