Description

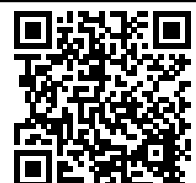

A magnificent original Art Deco period console table of the highest order in burr walnut. This was made by the high end manufacturer Hille in England, it dates from the 1930's. The quality is absolutely outstanding, with incredible burr walnut grain patterns and a stunning overall design. There is a lovely combination of curves and straight lines, with wonderfully crafted handles and a fluted centre piece. There are three upper drawers, and the two door cabinet beneath contains one shelf. We have had this recently stripped and re-polished to a very high standard, the condition is superb for its age. This is part of a larger Hille dining suite that we have, we also have the matching sideboard, dining table and eight dining chairs. Width – 52 inches , 131 cm Depth – 18 inches , 46 cm Height – 33 inches , 84 cm
