Description

Superb 19th century George 2nd Chippendale style mahogany Gainsborough chair of very generous proportions. Although a 19th century copy this chair has been made from very good quality heavy dense mahogany by a very good cabinet maker. The chair has cabriole shape legs all round with French style foot. The chair is carved all round, the carving of exquisite quality. The chair has a serpentine shape top rail. The upholstery is good. The chair is in very good condition. The colour and patination are as good as a period piece. I have dated the chair around 1870 but it could be a little bit earlier than that, it is very hard to tell. SIZE; 29" wide by 27" deep by 40" high. Seat height is 18". CIRCA; 1870 - 1880
