Description

A stunning handmade solid sterling silver tea strainer. It has been hallmarked STERLING and tests as such, I suspect it is American and dates to c1900. It has been beautifully hand planned with a fern like design. It is in outstanding condition being free from dings splits distortions and repairs. It measures approx. 6 inches (15.3cms) long and 2.5 inches (6.5cms) wide and weighs 56 grams. A very well made stunning piece.
