Description

A beautiful solid silver scent bottle. It is marked with the 800 silver standard mark only, possibly German, I would date it to c1900. It has been beautifully made depicting two children on one side and two birds on the other. It is in superb condition being free from dings splits and repairs. It measures approx. 2.75 inches (7cms) tall by 2.25 inches (5.6cms) and weighs 64 grams. A beautifully usable piece.
