Description

Antique silver Zenith pocket watch. The watch has a signed 18-28-3-P 15-jewel stem-winding movement which is working nicely. The movement is protected by an inner hinged dust cover which has details of the movement along with details of various exhibition medals won. The watch measures 48mm diameter excluding the winding stem and the loop. The case is 800 silver and there are Continental hallmarks inside both of the case backs. The case is in good condition and it is nicely decorated to the back with an Art Nouveau pattern. The acrylic lens is in good condition. The dial is signed Chronomètre Zenith and it is in lovely condition. One of the hands could be a period replacement. The watch comes in a new presentation box.
