Description

A beautiful small antique Georgian style burr walnut chest on chest, made in England & dating from around the 1930's. It is of lovely quality and is a great size, not taking up too much floor space yet offering lots of storage space. The burr walnut grain patterns are exceptionally beautiful and this has a beautiful, light honey coloured tone. It sits on bracket feet, has a bow shaped front and original brass handles. We have recently had it re-polished, the condition is excellent for its age. Width – 23 inches , 59 cm Depth – 15 inches , 38 cm Height – 43 inches , 110 cm
