Description

Mid 19th century brass-mounted etagere in the French manner; with three shaped oval tiers broadly cross-banded with tulipwood surrounding shaped marquetry panels of birds, flowers and foliage; mounted on simple beech supports with splayed feet and the upper shelf with a brass pierced gallery and four decorative finials. Circa 1850 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
