Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier swiss maker Omega. The watch is the rare and highly desirable Constellation Chronometer fully automatic calibre 551 24 jewel chronometer rated movement which has just been overhauled and serviced and comes with a 12 month warranty, as you can see it is in fabulous condition. The original solid 18ct gold dial is also of 18ct gold which means it will never deteriorate or tarnish and is in mint condition. It has black and gold hands and baton markers and also the Omega symbol on the crown and a genuine Omega buckle. The constellation logo on the back of the case is bright and crisp. As you would expect the watch is fully marked on the dial, movement and case. The heavy solid 18ct gold case is fully hallmarked. The case measures 34.5mm in diameter excluding the winding crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks...
