Description

Original Victorian Milners Fire Resisting Strong box. An Antique Milners Deed Chest in a stunning restored condition. We bring to you this very rare excellent condition Milners Patent Fire resisting Deed chest strong box which was made around C1836. This No1 size deed box is the smallest book safe available from Milners' in the 1830's. The Milners safes were some of the best in its class and at one stage regarded to be one of the largest safe manufacturers in the world. The Milners name still continues today as Chatwood-Milners under the Chubb group brand since 1958. The safe features its original stamp pressed trademark Milners emblems and original handles either side complete with "milners' Liverpool" stamps below. This safe was originally made as a portable book safe as books were a valuable commodity back when this safe was produced. This small strongbox is also ideal for storing important paperwork, deeds, birth certificates, passports, cash or even jewellery and is fire and thief resistant. Included with this safe is a vintage bronze Yale pad lock with 1 key which is in lovely working condition. Originally this safe was made from tin-plated steel whic...
