Description

Circa 1880 this is the finest brass trivet we've had in stock for a long time. It is heavy, well made, and in very good condition. It is 26cm in height, the top is approximately 21.5cm in diameter, and the shaped base is 13cm across each side with little bun feet underneath. The top unscrews from the stand mid way down the column, and it has been professionally polished but not lacquered. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
