Description

An attractive antique beech and elm Windsor armchair. The antique Windsor armchair has a lathe or slat back with a decorative central splat with heart detail. The solid elm seat is raised on four turned legs with a double turned H stretcher support. Finished with a fresh coat of natural wax. Ideal for use as a fireside chair or reading chair. Item Ref; M-2562 . DIMENSIONS: Height – 107cm / Width – 61cm / Depth – 70cm / Seat Height – 38cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks and staining to the seat and arms (pictured). The antique Windsor armchair remains structurally solid and sound with good tight joints. Evidence of old historic wood worm in places – this is long gone and has been fully treated as a precaution. Finished with a fresh coat of natural wax. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
