## Description

A stunning original Art Deco period twin pedestal dressing table. This is beautifully made from burl walnut, it dates from around the 1920-30's. It is of amazing quality, and has lot of nice features. The burl walnut has stunning grain patterns and a gorgeous colour. This has lots of storage space in the cabinets and single middle drawer, there are also three tray slide drawers in the right pedestal. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. The original mirrors have a little wear to the silvering on the backs of the mirrors towards the top, not too noticeable and this adds to the charm in our opinion. Width - 117 cm , 46 inches Depth - 59 cm , 23 inches Height to top of mirror - 165 cm , 65 inches Height to pedestal top - 73 cm , 29 inches
