Description

This fabulous antique walking cane which dates from the 19th century is made from the tail of a stingray and has a beautiful decorative oriental silver handle with Chinese figures and trees. This desirable stick is 82.5cm long, has a vacant cartouche to the top of the silver handle which could be engraved, a brass tip and has a great tactile feel. This rare cane would make a very nice unusual piece for a walking stick collector. Dimensions: 82.5 cm (32 1/4") Length. 4.5 cm (1 1/2") Width at widest part of silver handle. Weight: 306 g. Condition: Excellent antique condition with light signs of use in keeping with age. Some scratches, a few bruises and some tarnishing to silver handle and general wear. Please note that only the walking stick is included and any other items in the pictures are for display only.
