Description

A rare very nice quality set of eight solid sterling silver napkin rings. They are hallmarked SILVER and test as such. I would date them to c1920-1940. They have been superbly made being pierced with a Gothic letter D. They are in superb condition being free from dings splits distortions and repairs. They case is also superb. They measure approx. 1.75 inches (4.3cms) across by 1 inch (2.6cms) tall and have a combined weight of 140 grams. A very nicely designed good quality rare set.
