Description

This is a very attractive African side table. It has great form and has been carved from one single piece of wood to create this very contemporary rustic side table. The patina gained over years of use is superb. This side table is most likely a tribal carved piece and could have originally been used as a stool. The design of this piece makes it a great addition to a number of interiors. Height 40cm Diameter of top 25cm Width of legs 35cm Price includes UK mainland delivery
