Description

A lovely set of matching sterling silver salt cellars and spoons, all fully hallmarked for Joseph Gloster, Birmingham, 1905. The salt cellars have retained their original moulded blue glass liners. One liner has a small nibble to the edge (please see photographs) but otherwise both liners remain in a good condition overall. The liners show some spots of tarnish in areas but generally remain in a very good condition overall. The hallmarks to the spoons are partially rubbed but legible.
