Description

This is a large antique dried stem vase. A French, turned beech display urn, dating to the late Victorian period, circa 1900. A delight of antique French wood turning - a showcase piece Displays a desirable aged patina throughout Select beech shows fine grain interest Rich caramel hues beam beneath a wax polish finish Wonderfully rolled top with gentle chamfering into a 6.5cm (2.5") diameter opening Turned body with globular form catches the light beautifully Supported by a tapering stem with ring spun collar Stood upon an octagonal base, dressed with a saffron leather protective pad This is a striking antique dried stem vase. Accentuate your arrangements with this superior example of French craftsmanship. Delivered waxed, polished and ready to display.
