Description

A very long and impressive antique open bookcase in burr walnut. This was made in England, it is in the Queen Anne style and dates from around the 1930's. The quality is superb, with fine and crisp carving on the cabriole legs, all along the top edges and front canted corners. There are gorgeous burr walnut veneers throughout, all on solid walnut construction. This has space to house a library of books, each of the three open sections contains two adjustable shelves. We have recently had this re-polished, it is in excellent condition for its age. Width – 121 inches, 306 cm Depth – 12 inches, 31 cm Height – 39 inches, 99 cm
