Price

Sold**Item Reference: SA841603****Date of manufacture: 1910**

Dimensions

Height = 16 cm (6.3")

Width = 9 cm (3.5")

Depth = 6.5 cm (2.6")

Description

An attractive pair of sterling silver neoclassical candlesticks, fully hallmarked for Charles Boyton & Sons, Birmingham, 1911. Both candlesticks have some dinking to the silver at the base. The underside of each candle reveals the weighted base, one of which has some portions of weight missing, however both candlesticks remain firmly weighted and stand firm. The stem and bowl of both candlesticks remain in a very good condition.

Dimensions:- Height: 16.5cm Width of base: 9cm Depth of base: 6.5cm Combined weight: 340 grams
