Description

Professionally serviced with a 12 month warranty. Outstanding International Watch Company solid 9ct gold gents wristwatch. This is an exemplary example of a gents classic wristwatch made by the world renowned premier maker International Watch Company or IWC. This the legendary calibre 89 movement set in gold chatons Geneva stripe plates with hand beveled edges and seconds friction adjust which is regarded as the top of the range and known as the watchmakers watch as one of the finest movements ever made, as you can see it is in fabulous condition. The dial is in mint condition having been fully restored, the hands are original as is the winding crown and the serrations are crisp and sharp. It has a solid 18ct gold case. As you would expect the watch is fully marked on the dial, movement and case. IWC are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class indeed this is the best original example we have ever had, a rare find indeed. The watch case measures 34mm in diameter not including the crown. The watch has just been fully serviced. It has been fully authenticated and found to be a g...
