Turkish Village Prayer Rug,
Dazkiri

Price

Sold

Item Reference: SA841825

Date of manufacture: 1750

Dimensions

Height = 140 cm (55.1")

Width = 131 cm (51.6")

Description

Not many of these great old prayer rugs about. This is a wonderful example of a village weaving, coarse, floppy, mountainous wool and made for domestic use, as opposed to many workshop pieces made for sale. Colours are superbly harmonious and I'm sorry to tell you, its going to sell very quickly at this price. Its already on hold with a queue forming but enjoy the photos. Don't see these very often at all.
