Description

For your consideration is this very stylish gents 14k rose gold filled wristwatch, made by Bulova watch company New York and dates to 1944. In super condition with stainless back free from engravings. Size 21mm wide (excl. crown) x 23mm (total length incl. lugs 41mm). Lugs are hinged – its era generically terming it a driver's watch, as the hinged lugs allow it to be positioned on the inside edge of wrist, so could be viewed easily whilst holding steering wheel. New crystal and 14mm wide XL leather strap (incl. rose gold coloured buckle to match the case). Will fit a wrist size of between 160mm and 195mm. Case is 14k rose gold filled, in good condition. Dial looks very clean with one minor surface mark near 2 & 3. 17 jewel Bulova 8AH Swiss movement just serviced, the whole watch has been ultrasonically cleaned. Running strongly and keeping very good time. Perfect both for everyday wear and for adding to the collections. A lovely watch any gentleman would love to wear. Shows no wear-through to the gold.
