Description

An attractive antique Victorian mahogany musician' stool or seat with associated footstool. The musician's stool has a decorative backrest and upholstered swivel seat. The stool is raised on four reeded legs with a decorative central column. Also included in the sale is a small associated footstool upholstered in the same red coloured fabric. Item Ref; M-3055 . DIMENSIONS: Height - 95cm / Width - 36cm / Depth - 39cm / Seat Height - 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some minor age-related marks to the wooden frame. The upholstered seat remains in good condition with no major marks or stains. The seat swivels freely. There is a loss to the underside of the seat that can be seen when the frills are pulled back (pictured) - this does not affect the integrity of the stool.
