Description

A top quality example of an early 20th century leather suitcase of medium size. It has finely crafted stitching, a good handle, and an incredible rich deep tan colour with an original finish. The interior, with signs of previously housing toiletries etc, is comprised of a single leatherette-lined storage compartment. This fine Edwardian suitcase, a wonderful interior decorator's piece, is English dating from c.1900 to c.1925.
