Description

C.1840's French Percussion Carbine with Socket Bayonet. This is a nice French military percussion carbine with socket bayonet from c.1840. The carbine has been converted from flintlock to percussion in the 1840's. The carbine has a smooth bore and is fitted with a socket bayonet. The carbine cocks on two stands and has its original ram rod. Proof marks can be found all over this weapon. The carbine is for its age in a good condition.
