Description

A stunning original Swedish Art Deco period dining table in satin wood. This was made in Sweden, it dates from the 1930's. The quality is outstanding, this is a lovely size and is fairly small for a dining table. This would be perfect as a kitchen table, as an occasional table or even as a desk. The satin wood is extraordinarily beautiful, with an amazing colour tone and lovely grain patterns. The overall design is very elegant yet strong, the frame is sturdy and very well made. We have recently had this stripped and re-polished to a very high standard, the condition is superb throughout. Width – 122 cm , 48 inches Depth – 82 cm , 32 inches Height – 76 cm , 30 inches
