Dimensions

Height = 23 cm (9.1")

Width = 20 cm (7.9")

Depth = 23 cm (9.1")

Description

Circa 1910-1940 a heavy and solid brass bell with the original clapper attached to an iron fitting - see photo 4 - and with the original wall fitting. The bell is approximately 23cm in height without the rope and has a 20cm in diameter open end. The rope hangs 31cm outside. The bell weighs approximately 2.8kgs and has been hand polished. There are no signs of damage anywhere just a small scratch on the top- see photo 2. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.

Internal Ref: 1665
